## Description

---

For rent, a semi-furnished townhouse in Al Burouj, Shorouk, the twin area is 220 square meters and the building area is 167 square meters, consisting of 3 bedrooms and 3 bathrooms, super deluxe finishing, Al Burouj Al Shorouk Compound was implemented by one of the leading companies with extensive experience in the field of real estate, which... This means the extensive experience that appears in the design and implementation of Al Burouj Compound on Ismailia Road

The asking price is 10,000 EGP

Al Burouj Al Shorouk Compound was also designed in the style of the best residential complexes around the world, and this is what the real estate developer of the project, Capital Group Real Estate Company, was keen to make Al Burouj Al Shorouk Compound integrated with the facilities. The services should be the ideal destination for the company in terms of luxury, sophistication and future vision in design and its inclusion in all facilities and services.
