In installments, a 175-meter apartment in Beston Residence overlooks a distinctive view

3 bedrooms (1 master)

3 bathrooms

Reception 3 pieces

The distinguished location at the entrance to the Fifth Settlement is an essential feature of the success of Stone Residence Cairo, which distinguishes it from its competitors, whether in the same city or elsewhere. The location has many advantages, such as: 90th Street is about 5 minutes from the compound - The American University is 15 minutes from the compound - Heliopolis: The distance between it and the compound is only 10 minutes.
