## Description

---

Chalet for sale, 70 sqm, in The Greek Marassi, 1 room, 1 bathroom, with reception and terrace, overlooking a very distinctive view

Price: 5,500,000 EGP

Marassi North Coast is the best choice if you want to spend the summer vacation and get away from the pressures of life for a period of time because it is considered one of the best villages in the Arab Republic of Egypt, because it is characterized by a global facade similar to the most famous villages in the world with the availability of all means of entertainment and it is located specifically on the North Coast. It was developed by the international real estate company Emaar, so the Al Marassi Village North Coast project is considered one of the successful projects of very high quality because it is responsible for Emaar.
