## Description

---

Chalet for sale in Monte Galala, Ain Sokhna, area is 92 square meters and fully finished. The chalet consists of 2 bedrooms, a bathroom, a kitchen, a living room, a view of the marina and the mountain, and immediate delivery. A special location. The village is located near the city of Galala, making it a coastal village. Different from the rest of the villages in the Ain Sokhna area

Wanted: 2 million 300 thousand cash

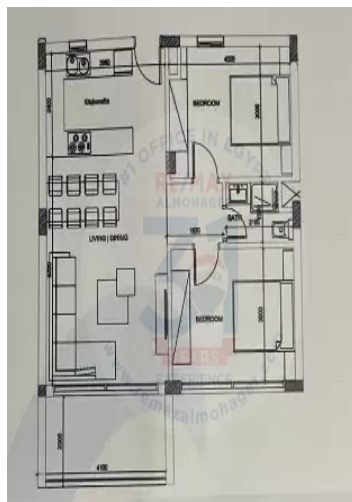

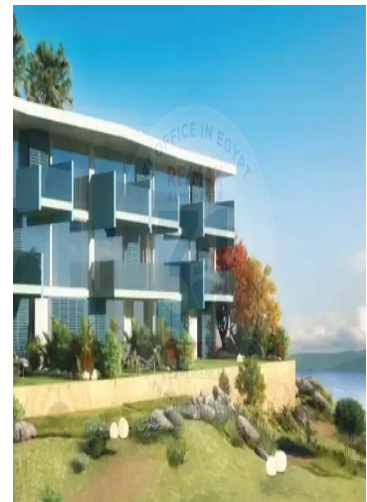

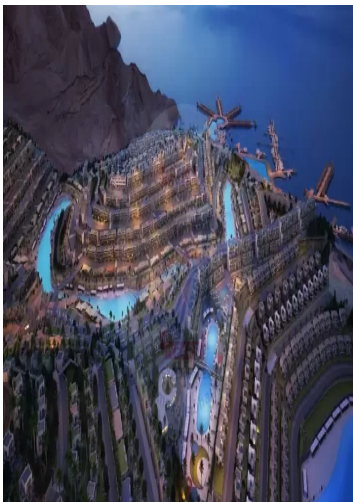

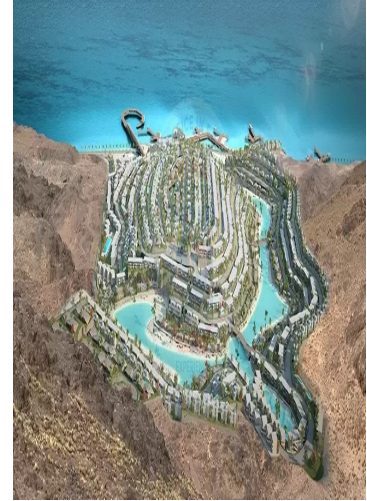

The remaining 596,000 in 16 installments

Monte Galala Resort, Ain Sokhna, is distinguished by the provision of services and recreational games related to mountain climbing. The resort contains a number of the most luxurious 7-star international hotels. Monte Galala Resort is located below the international Galala area and many recreational facilities are spread. These recreational areas are a special area for children as well. There are cabins along the beach and a group of restaurants and cafes. There is a bridge that connects customers from the village of Monte Galala to the beach, and the current Sokhna-Zaafarana road passes under it.
