Total area: 146 m

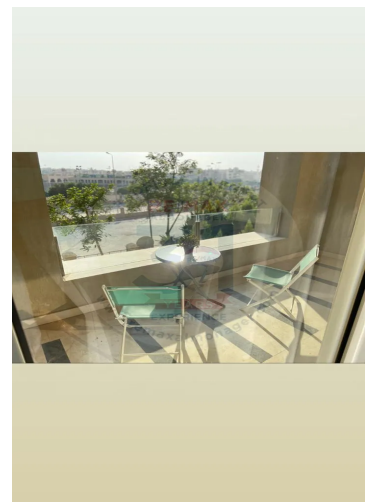

2 bedrooms, 2 bathrooms

Price: 22,000 pounds/month

In the heart of the Fifth Settlement in New Cairo; The Village Gate Compound is distinguished by its position as one of the most prominent pioneering projects in the region. This project is considered a symbol of technological development and continuous progress, as it combines modern life with the latest technologies. In addition, the compound offers a wide range of modern technologies within its various residential units, which makes it an option. Ideal for housing and investment, next to Point 90 Mall, next to the American University in the southern 90th, underground parking with 24-hour security and guarding.
