Immediate receipt

New Cairo Paradise

5 minutes from the American University

B model

Pictures are from reality and the apartment

3 rooms

2 bathrooms

The reception and the rooms are all marine, all overlooking the facade.

The total price of the apartment: 1,860,000 pounds

Paid 340,000

the rest

Ali 3 years

or 5 years

Or 7 years, as preferred.

The project consists of 8,760 housing units with a total of 365 buildings.

The building consists of a ground floor and 5 typical floors, and all buildings have elevators.

In the middle of the buildings is a swimming pool and landscape

The areas range from 100 to 150 meters, and some ground floor units may include usufruct gardens.

The apartments have a share in the land, and the project is surrounded by a fence and security gates.
