FOR SALE**

**PRICE:
300000000**

Description

A building for sale or exchange in the Mivida Compound with a medical administrative license. The building consists of several floors starting with the basement, then the first, second, and third floors, with a garage that can accommodate 54 cars.

Area: 1250 m

The building can be divided into 54 independent units from 60 m to 100 m

The project is unique in its distinguished location in the heart of the Fifth Settlement, close to the American University in Cairo and Future University, and only 20 minutes away from Cairo International Airport. It also has easy access to and from it through a number of common points and main roads, such as the Field Marshal El Tantawi Axis, the Suez Road, and the ring road that connects all residential areas in Egypt.
