Description

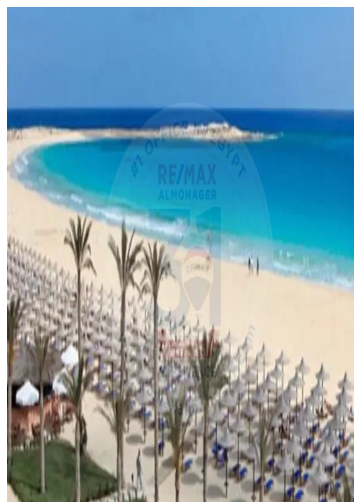

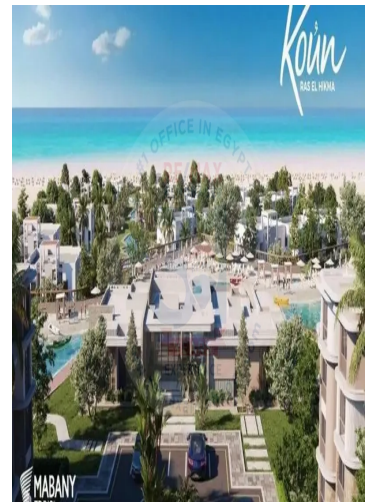

Chalet for sale in installments in the village of Ras El Hekma, North Coast. Enjoy the stunning views and white sandy beaches. It has an area of 775 meters and includes 2 rooms with a bathroom.

Installment systems come as follows: 0% down payment and installments over 6 years
15% down payment, installments over 9 years

The location of Ras Al-Hekma was chosen by the most important engineers and experts in the field of real estate development, because we know that one of the most important distinguishing factors for any tourist resort is the location, so a strategic and distinctive location was chosen for the village because the most important goal of the company is Idris Real Estate Buildings, from the beginning, not only implementing a tourist resort without the first goal is to build the village of the future and its tourist destination in Egypt.
