Description

Chalet with garden, 180 meters for sale in Ras El Hekma Resort, North Coast, consisting of two rooms, a master room, and 2 bathrooms, with a kitchen and a reception room.

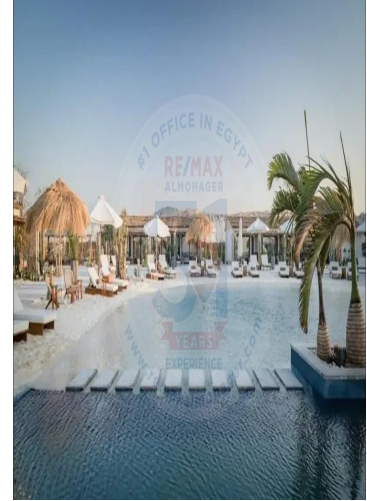

Area: 105 square metres

Garden area: 80

The resort village of Ras El Hekma has many wonderful features, the first of which is its design, as it has a unique and distinctive design that suits the tastes and aspirations of customers. The company developing the village was also keen to provide a large amount of space to the green area and the Crystal Lagoons, because they provide distinctive and picturesque views to the residents. And visitors, the residential units are specially designed to have a distinct view.
