Description

110 sqm apartment for rent in The Village, fully furnished, luxurious

Two bedrooms

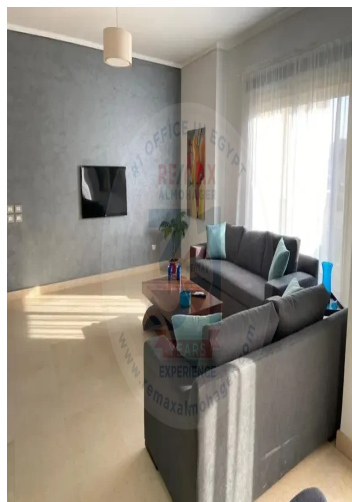

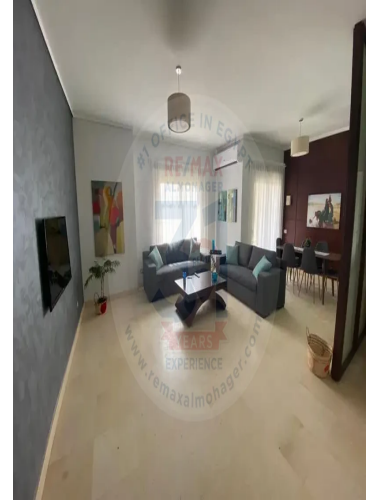

2 bathrooms

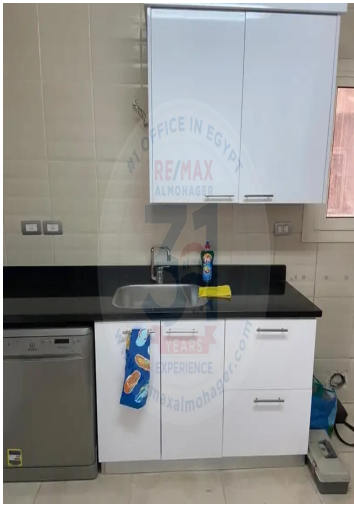

\$1300 per month

In the heart of the Fifth Settlement in New Cairo; The Village Compound is distinguished by its position as one of the most prominent old projects in the region, and for this reason this project is a modern symbol of technological development and progress, as it combines modern life with modern components. In addition, the compound offers a wide range of integrated apartments within its various residential units, which makes it an ideal choice. For housing.
