Number of rooms: 3 + Number of bathrooms: 4

Reception: 3 + modern and equipped kitchen + small kitchen + maid's room + air conditioning throughout the apartment

Unit price: 50,000 for rent

Sodic Westown Sheikh Zayed is distinguished by its excellent geographical location in the heart of the Sheikh Zayed area, and what distinguishes the project most is its location in close proximity to many vital areas in the region.. Dahshour Road: the most prominent of the main roads that the compound overlooks, and not only that, but it is close to the road Egypt and the Alexandria Desert Road. And the 26th of July Corridor: It had a major and clear role in facilitating movement to and from the compound, due to the project being located along the Corridor. Al-Ahly Club: The distance between the club and the project does not exceed 12 minutes.
